

Guardian Angel

The GUARDIAN ANGEL is the world's most advanced pepper spray device without the flaws of the traditional aerosol canisters. Highest reliability is guaranteed under all climate conditions due to the sealed mechanism. The patented propulsion system ensures outstanding performance in terms of effective range and reliability. The GUARDIAN ANGEL holds two shots of liquid pepper irritant that can be launched – not sprayed – at an attacker. It is small, flat and light weight, designed for concealed carrying. The ergonomic shape fits easily into the hand. The GUARDIAN ANGEL has a 3 years operating warranty.

- **90 MPH liquid pepper jet**
- **patented propulsion system**
- **no loss of pressure**
- **easy handling**
- **highest reliability**
- **flawless function in every position**

Specifications

Size:	Length: 110 mm (4.3"), Width: 70 mm (2.7"), Height: 23 mm (0.9")
Weight (loaded):	120 grams (4.2 ounces)
Maximum Range:	4 meters (13 ft)
Safety Distance:	0.6 meters (2 ft)
Operation Mode:	Semi-automatic switchover
Content:	2 charges filled with liquid irritant
Volume per charge:	6 ml (0.21 fluid ounces)
Irritant agent:	10% (Oleoresin Capsicum) with 2% Capsaicinoids in 90% Benzyl Alcohol, <u>or</u> Nonivamide (PAVA) at 2% in 98% Ethanol & Water in a 50:50 ratio
Velocity of Jet (V0):	40 m/s (90 MPH)
Operating temperature:	-20°C (-5°F) to +80°C (+176°F)
Trigger Resistance:	3 kg (6.6 lb)
Drop Safety:	Drop-proof from heights up to 1.5 meters (5 ft)
Water Resistance:	Splash-proof
Holster:	Belt soft holster (black cordura)
Available Colours:	Black and orange
Warranty:	3 years on operating mechanism (see expiry date on device)
Training:	Inert training version available, filled with blue marker dye
Package Contents:	1 GUARDIAN ANGEL, self defense unit 1 Instruction Manual
